

**MANUFACTURER'S CERTIFICATION STATEMENT FOR
QUALIFIED ENERGY PROPERTY**

HTP, Inc. certifies that the following HTP Crossover Water Heaters are available for tax credit, effective through December 31, 2016.

Each HTP water heater model listed is a highly efficient residential tank type water heater. As listed on Energy Star's tax credit guidelines, these models have an Energy Factor of at least .82 or a thermal efficiency of at least 90%; new construction and rentals do not apply. Under the guidelines, the unit must be installed in your principal residence between January 1, 2011 and December 31, 2016.

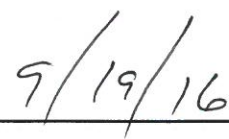

PRODUCT	Energy Rating
RGH-75F	.83 EF/ .88 UEF
RGH-76F	96% TE

A taxpayer claiming credit for Qualified Energy Property should retain a copy of this Manufacturer's Certification Statement along with the receipt of purchase and installation. Taxpayers will need to file [Tax Form 5695](#) with your tax return to receive eligible credit.

Under penalties of perjury, I declare that I have examined this certification statement and to the best of my knowledge and belief, the facts presented are true, correct and complete.

David R. Martin
President HTP, Inc.
