

Hydronic Specialties

| | |
|---------------------------------|--|
| Water Heaters | AEHS: Electric tankless water heaters and boilers, including boiler boards. AEHS |
| Hydronic Boilers | U.S. Boiler (Burnham): Residential, light commercial hydronic heating boilers. Firetube and water tube boilers that are quiet and feature the intuitive Sage control system. usboiler.net |
| Hydronic and DHW boilers | Thermal Solutions: Residential and commercial. Condensing Hydronic, 97% efficient, 399 MBH to 1,000 MBH capacities, 10:1 turndown, no minimum flow requirements. Indoor and outdoor applications. Indoor applications only for higher capacities which reach 6,000 MBH. thermalsolutions.com |
| Combi Boilers | Alta combi: The world's FIRST & ONLY 10:1, gas-adaptive (self-tuning), combi boiler! usboiler.net |
| Mixing/Tempering Valves | Paxton: 3/4" to 3" stainless steel valves for commercial applications. paxtoncorp.com |
| Hydronic Accessories | Elbi of America: Residential and commercial expansion tanks, commercial hydronic accessories, and Commercial Storage tanks.. ASME Electric Tank 3 phase water heaters. elbi.net Flamco: High-capacity air and dirt eliminators and vents, hydraulic separators, expansion tank brackets, pressure reducing valves. Flamco Boiler Buddy: Buffer tank. Hot water products |
| Heat Exchanger | SWEP: Brazed plate heat exchangers, single and double wall options. swep.net |
| Radiant Heating | Thermalboard: 5/8" tall composite plywood radiant floor with aluminum heat transfer, grooved out to 8" on center, using 3/8" tubing. thermalboard.info |
| Radiant Insulation | NOFP: Easy-to-install flexible foam insulation for hydronic radiant systems. nofp.com rFoil: Easy to install roll out reflective radiant insulating material. rfoil.com |
| Fan Convectors | Smith Environmental: Kickspace, wall units, hot water fan convectors. Smith Enironmental |
| Radiators | Airtex: Commercial convectors, fan coils, hydronic distribution units, unit heaters. airtex.com Smith Environmental: Panel Radiators combine the comfort of radiant heat with an elegant contemporary design. Smith Environmental Embassy: Cost competitive residential baseboard. embassyind.com |

Controls

| | |
|-----------------|---|
| Controls | HBX Control Systems: WiFi thermostats. Whole house control, boiler staging control, radiant floor and heat pump controls. BTU and flow mettes with WiFi. HBX control systems |
|-----------------|---|

Plumbing

| | |
|---------------------------------|--|
| Pressure Booster Systems | Canariis: A wide range of domestic water pressure booster systems. canariis.com |
| Tempuring Valves | Paxton: 3/4" to 3" stainless steel valves for commercial applications. paxtoncorp.com |

Heat Pumps and Air Handlers

| | |
|-------------------|---|
| Heat Pumps | RBI HP-275: Inverter Commercial air-to-water heat pump for space conditioning and domestic hot water. Stocked at the factory, competitive pricing. RBI water heaters ESP: Hi--Velocity and Lo-Velocity air handlers. hi-velocity.com |
|-------------------|---|

Solar Hot Water

| | |
|--|---|
| Note: JTG/Muir can include all necessary solar specialties to make a complete solar hot water system. This includes controls, drain back tanks and pumps. | AET: Solar thermal systems. Flat Plate solar thermal collectors, CSI approved for residential DHW systems low income housing rebates. AETsolar.com |
|--|---|

Water Treatment Chemicals

| | |
|------------------------|--|
| Water Treatment | Sentinel: Hydronic non-toxic chemicals, cleaners and closed loop conditioners. Propylene Glycol anti-freeze. Sentinel JJM: Condensate neutralizers, residential and Commercial. jimboilerworks.com . GTP: Residential hydronic feeder systems. gtpcompany.com |
|------------------------|--|
