

## Mechanical

### Water Heaters [htproducts.com](http://htproducts.com)

**Phoenix:** 96%, high output gas water heaters. Available with air handler for a water heating and space heating combination.

**Phoenix LD:** 97% thermal efficiency, with versatile, multiple installation options. Available with air handler for a water heating and space heating combination.

**Phoenix Multi-Fit:** Stainless steel, gas-fired, commercial water heater.

**Phoenix Plus:** HTP's most resilient unit, designed for indoor & outdoor commercial applications.

**Phoenix Sanitizer:** Heats water to 184°F. Ideal for commercial activities such as dish-washing, cleaning and disinfecting equipment, perfect for breweries, wineries etc.

**Supestor:** Stainless steel indirect water heaters.

**Hubbell:** Commercial water heaters. [hubbellheaters.com](http://hubbellheaters.com)

### Combi Boilers [htproducts.com](http://htproducts.com)

**EFT Combi:** 93% afue boiler and endless dhw, 316l stainless steel fire tube heat exchanger. Floor mount and wall mount available.

**Versa-Hydro:** High mass, 96% efficient space heating and domestic hot water (Combined Hydronic Appliance).

### Boilers [htproducts.com](http://htproducts.com)

**Elite Premier:** Best-In-Class, 98% efficient, wall hung or floor mounted boiler, for hydronic and VWH applications.

**UFT:** High Efficiency – Advanced modulating gas condensing boiler up to 95% AFUE, 10:1 turndown ratio, can be used for hydronic applications.

**Elite FT:** 97% efficient, low maintenance/heat source, useful with hydronics as well.

**Pioneer:** High mass, low maintenance/heat only.

**Modcon:** The Mod Con is a highly efficient modulating condensing boiler that operates with up to a 98% thermal efficiency rating, ideal for commercial, hydronic and DHW applications.

**Modcon Double Stack:** A modulating condensing commercial boiler that operates at up to a 94% thermal efficiency rating, ideal for commercial, hydronic and DHW applications.

**EnduroTi:** High mass, commercial condensing boiler with hyper-jet combustion system. 93% thermal efficiency rating, 20:1 turn down ratio, incredibly durable.

## Storage Tanks

[htproducts.com](http://htproducts.com)

**Superstor:** 20- 119 gallon stainless tanks.

**Contender:** Glass-Lined indirect water heater tanks.

**GL:** Glass-Lined 80, 119, 175 gallon.

## Circulators

**Taco:** Hydronic & recirculation pumps to 235 gpm. Best selection of ECM, Delta-P and Delta-T pumps. [taco-hvac.com](http://taco-hvac.com)

## Solar

**Solar Skies:** Flat Plate solar thermal collectors, OG100 certified for Commercial applications, and OG300 certified systems for residential DHW systems. [htproducts.com](http://htproducts.com)

**Biogreen:** Non-Toxic propylene glycol. [interstatechemical.com](http://interstatechemical.com)

## Hydronic Accessories

**Taco:** Vents, tempering valves, pressure reducing valves. Zone valve hydronic & geothermal zone valves. [taco-hvac.com](http://taco-hvac.com)

**Elbi of America:** Expansion tanks ASME and non-Code, commercial hydronic accessories. [elbi.net](http://elbi.net)

**Tunstall Steam:** Steam traps and hydronic steam accessories. [tunstall-inc.com](http://tunstall-inc.com)

**Miljoco:** Temperature and pressure gauges. [miljoco.com](http://miljoco.com)

## Boiler Controls

**Taco:** Zone controls and switching relays. [taco-hvac.com](http://taco-hvac.com)

**Tekmar:** Controls, thermostats, Wifi. [tekmarcontrols.com](http://tekmarcontrols.com)

**Macon:** Non-electric zone valves, flow control/balancing valves. [tunstall-inc.com/macon-controls](http://tunstall-inc.com/macon-controls)

## Heat Exchanger

**SWEP:** Brazed plate heat exchangers, single and double wall options. [swep.net](http://swep.net)

## Hydronic Distribution

### Radiant Heating

**Thermalboard:** 5/8" tall composite plywood radiant floor with aluminum heat transfer, grooved out to 8" on center, using 3/8" tubing. [thermalboard.info](http://thermalboard.info)

**Cinier:** Architectural, extraordinary looking fan assisted heating and cooling convectors. [cinier.us](http://cinier.us)

**Mr. Pex:** Hydronic and potable Pex A tubing up to 2" and pre-insulated PEX. [mrpexsystems.com](http://mrpexsystems.com)

**Ecowarm:** 3/4" tall plywood radiant floor with aluminum heat transfer, grooved out to 12" on center, using 1/2" pex tubing. [ecowarmradiantheat.com](http://ecowarmradiantheat.com)

### Radiant Insulation

**NOFP:** Easy-to-install flexible foam insulation for hydronic radiant systems. [nofp.com](http://nofp.com)

**rFoil:** Easy to install roll out reflective radiant insulating material. [rfoil.com](http://rfoil.com)

### Fan Convectors

[mysoncomfort.com](http://mysoncomfort.com)

**Myson RCU:** Recess wall-mounted with flow and zone control built in.

**Myson:** Kickspace, wall units, hot & chilled water fan convectors.

### Radiators

[mysoncomfort.com](http://mysoncomfort.com)

**Myson:** Décor, and Select style radiators. Recessed and wall mounted fan convectors for residential and multifamily residential applications. Wall mounted electric resistance heaters.

### Baseboards

**Heating Edge:** High capacity hydronic base board heaters. [smithsep.com](http://smithsep.com)

## Heat Pumps

**PHNIX:** Tank type heat pump and comfort heating and cooling heat pump, up to 5 ton with inverter technology. [phnixexp.com](http://phnixexp.com)

**Robur:** Gas fired heat pumps. [robur.com](http://robur.com)

**GeoExcel:** Commercial heat pumps. [geoexcel.com](http://geoexcel.com)

## Water Treatment

### Water Treatment

**Fernox:** hydronic non toxic chemicals, and open loop exchanger cleaning chemicals. [fernox.com](http://fernox.com)

**Axiom:** Condensate neutralizers, water filtration, glycol & chemical make up water systems. [axiomind.sasktelwebhosting.com](http://axiomind.sasktelwebhosting.com)

**Scaltrol:** Open loop hard water treatment system. [scaltrolinc.com](http://scaltrolinc.com)

**InterState:** BioGreen propylene glycol, non-toxic. [interstatechemical.com](http://interstatechemical.com)

## Water Recovery Systems

### Water Recovery Systems

**Rainwater Management Solutions:** Commercial and residential rainwater harvesting and graywater re-use systems and solutions. [rainwatermanagement.com](http://rainwatermanagement.com)
